

1

THE PROBLEM

- Volvo +13.6%, story hidden
- "Safe but old" perception
- Zero emotional connection

2

THE CONTEXT

- Belgium market: -6%
- 72% prefer local products
- No brand owns "Made in Belgium"
- Ghent: 60 years, 6K jobs, 186K cars/year

3

THE AUDIENCE

- Mid-career professionals (authenticity seekers)
- Safety-conscious families (trust + local pride)
- ESG fleet managers (sustainability + local impact)

“ Safety and quality, yes. But it feels expensive and... a bit old. ”

— Participant #14: Male, 42, Brussels

Objectives targeted

AWARENESS & PERCEPTION

- "Made in Belgium" = core brand attribute
- 25% brand favorability increase (ages 32-55)
- 10M+ video views

ENGAGEMENT & PARTICIPATION

- 5M+ social impressions
- 15K+ Consumer votes and interactions
- 20M+ total content views

CONSIDERATION & CONVERSION

- 30% increase in test drives
- 100+ limited-edition pre-orders
- 3,000-4,000 vehicle sales + 50 fleet contracts

One clear **funnel**: Awareness builds **engagement**.
Engagement drives **consideration**.
Consideration converts to **sales**.
